## CREATED FOR COMMUNITY CAMPAIGN UPDATE

The downstairs Children's Wing hallway expanded to include the new elevator and access to Fellowship Hall via the back alley.

The upstairs Children's Wing features the top of the elevator shaft, and will house a new Sunday School check-in counter.

During the past several months a lot of work has been going on in our Children's Wing that has not been visible. An elevator is almost ready to be installed and the organ vaults on the north side of sanctuary are being finished up. As you may also be aware the organ console and all of the pipes have also been removed.

The week after Easter work on the chancel will begin and a large tarp will be hung up to keep the dust down and allow for a safe environment on the chancel area. We will continue to worship in the sanctuary, but at some point in June we will more than likely be moving out of the sanctuary for 2-3 Sundays so that other concrete work and conduit runs can be finished out. We will keep everyone posted on our worship schedule for the summer.

The bulk of our work for Created for Community Campaign will begin the week of June 8. The first floor of the Children's Wing will be closed down and completely renovated, the ramp on Draper will be added, and the main courtyard will also be reconfigured. It is going to be an exciting time around our campus, but also a time when we will need to be flexible!

We will keep you up to date on the work that will be happening, as well as the expected

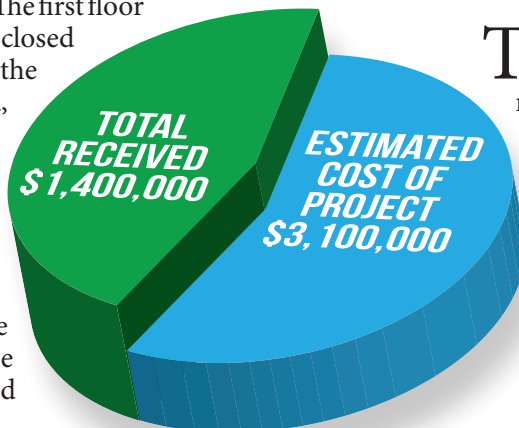

finish dates. We anticipate the bulk of the work being finished by the end of August. During the fall of 2015 we will remodel the upstairs rooms of the Children's Wing as well as complete the installation of the Pipe Organ.

We have scaled back on some aspects of our project because we don't want to spend more money than we think we will receive. Since most of the work will be finished before the completion of the campaign we are asking you to stay as current on your pledge as you can, and if you are able to pay your pledge early that would be a wonderful blessing.

**THE WEEK AFTER EASTER WORK ON THE CHANCEL WILL BEGIN AND A LARGE TARP WILL BE HUNG UP TO KEEP THE DUST DOWN AND ALLOW FOR A SAFE ENVIRONMENT ON THE CHANCEL AREA.**

The Elders are committed to being good stewards of the resources entrusted to us. We have currently received approximately \$1,400,000 in gifts/donations and we are working to keep our budget in the range of \$3,100,000. Considering the campaign is less than 12 months old we feel hopeful that we will reach our financial goal by the end of 2016.

Thanks for your generosity and if you would like to make a one time gift to the campaign or make a pledge there is information on our website, or below.
