WHEATON COLLEGE SYMPHONY ORCHESTRA*

<https://www.facebook.com/WheatonCollegeSymphonyOrchestra>

The Clipper Club of LJPC brings us the Wheaton College Symphony Orchestra. They describe the making of music as an act of worship and service, calling for excellence as the norm of stewardship, and relating all of human creativity to the Glory of God. The orchestra plays music from the wide gamut of symphonic forms and eras, from the Baroque period to music of our time. The orchestra will perform a new work written for the orchestra by award-winning composition faculty member, Dr. Shawn Okpebholo and the Saint-Saens Organ Symphony featuring our organist, William Lullo.

LJPC CHRISTMAS CONCERT: "GLORIA"*

<http://ljpres.org/concert-series/>

"Gloria!" With this word the angels announced the birth of Christ, and with this word we open our annual Christmas extravaganza at LJPC in a program featuring many of our ensembles. Led by our Chancel Choir and accompanied by our LJ brass and a professional orchestra, this concert will highlight Poulenc's sparkling music, "Gloria." The last half of the concert will involve readings, carols and anthems old and new, and opportunities for the congregation to sing along. Our children will contribute to the first performance.

LJPC'S CHANCEL CHOIR: HAYDN'S LORD NELSON MASS AND ROBERT RAY'S GOSPEL MASS*

<http://ljpres.org/concert-series/>

Our spring choral concert will feature two spectacular settings, one Classical and the other Gospel. Masters of their genres, Haydn and Ray have composed music of power and passion to express the truths of these words. Haydn's Lord Nelson Mass for chorus and orchestra reflects Haydn's deep, personal faith. Robert Ray's classic gospel version of an English translation of these same texts--accompanied by piano, bass and drum set--has been performed in churches and cathedrals.

HORNWOGGLE "A NIGHT AT THE MOVIES"*

<http://www.hornswogglesandiego.com/>

Hornswoggle is a convivial group of horn players of all ages that perform French Horn ensemble music. Many of them are hobbyists, others are band/orchestra directors, free lancers, professionals, private horn instructors, and high school and college music students. Conductor, John Lorge, San Diego Symphony's Principal Horn Emeritus, brings many years of professional musician's experience. Hornswoggle plays at many different events around San Diego County throughout the year.

LJPC'S GREATEST HITS

<http://ljpres.org/concert-series/>

One of our Core Values at La Jolla Presbyterian Church is *Celebrating*, and that's what this concert is all about! Our music ensembles work hard to prepare a piece and then often have only one opportunity to present it during the church year. Our Chancel Choir, LJ Brass, LJPC Orchestra, and Hand Bell Choir will select their favorite pieces presented during 2015-2016. The result will be our "2nd Annual Greatest Hits Concert." Please join us as we celebrate God's gift of music.
