

WELCOME TO SONSHINE SINGERS PREPARATORY CHOIR

La Jolla Presbyterian Church
September 2017

Music Immersion: All children attending Sunday school in room CE4 (ages 3-5) plus any Kindergarteners who wish to join them, will have 15 minutes of music led by our choir director, Kathy Fait. This will be a "prep-choir" that emphasizes music education and basic singing technique presented in a fun, lively, movement-oriented fashion geared toward a preschooler's attention span. We will learn songs, play rhythm instruments and learn basic music fundamentals. The goal is to inspire the children to use their voices to worship God and continue to grow up in our choir program.

Meeting Time: Sundays from 10:00-10:15 am in room CE4. Kindergarteners should start out in this room at 10:00 and then will be taken to their regular Sunday school room at 10:15.

Attendance- All Sunday school students will participate weekly as part of their Sunday School curriculum. There will be 4 mandatory rehearsals in the Spring in order to participate in our final concert "Sing for the King" on May 7, 2018

Parent Volunteers are an integral part of a successful choir program. If any parent or teen would like to help with this group, it would be greatly appreciated. Come when you can.

Leading in Worship- The children will not be singing in worship. They will make their debut performance at "Sing for the King" in May.
