

HOW *Help Us Finish Strong*

Friends,

I am excited to welcome you back to SunHouse! This project has finally been completed! For many of our middle school students this will be the first time they have ever been in SunHouse.

I also have incredible news to share with you. I am pleased to announce that a generous donor has offered a \$500,000 matching gift to help us pay off the costs of this renovation project. Our goal is to raise or receive pledges of \$500,000 over the next two years.

Personally, Shannon and I are so grateful for the impact SunHouse had on our own children. Both of our children grew up at SunHouse. They went to camp with SunHouse. They went on mission trips with SunHouse. Their faith was formed and shaped by the staff and volunteers at SunHouse and we want to be a part of creating a welcoming space for the next generation.

Whether you give once, or pledge over two years, every contribution helps build a lasting foundation for the next generation.

You can complete the attached card and place it in one of the offering boxes on campus, mailing it in, or bringing it to the church office. You can also fill out a pledge card at ljpres.org/sunhouse or make a gift online at ljpres.org/donate. The campaign will run until March 2028.

Blessings,

Pastor Paul
